Dear researchers,

As is well known, the date of October 30, 1961 is important for both Turkey and Germany. The year 2021 coincides with the 60th year of the Turkish presence in Germany, which was guaranteed by signing of the recruitment agreement between Turkey and Germany. Being aware of the responsibility brought about by this special situation, Turkish-German University will organize the Symposium on the 60th Anniversary of the Turkish Presence in Germany between 31.01.2022-01.02.2022.

In the Symposium of the 60th Anniversary of the Turkish Presence in Germany, which has an international character, it is aimed to examine the Turkish presence in Germany from a broad perspective by focusing on many areas such as education, culture, science, art, commerce, economy, technology, sports, politics and law. In this context, we invite academics and researchers from different countries and disciplines to come together, think together and share their ideas.

Some of the themes considered as subthemes in the symposium are as follows:

➤ Sustainability of Turkish in Germany and the Problem of Teaching Turkish

➤ Religious Education and Sustainability of the Muslim Presence in Germany

➤ Health and Disease in Germany

➤ Historical Process of the Turkish Presence in Germany

➤ Integration Stories

➤ Bilingual Life Practice

Some of the themes considered as subthemes in the symposium are as follows:

- Identity Differentiation Between Generations

- Local Identity Visibility in Food and Beverage Activities

- Being "German" and Being "the Turkish" in the Sense of Being a "Foreigner"

- Reflections in the Media

- Digital Trends

- Representation of Turks in the German Media

Language of Papers:

- Turkish,
- German,
- English
